# Our Services

We are a local, family run cleaning company, servicing Essex and London; specialising in the following areas:

DOMESTIC

END OF TENANCY

COMMERCIAL

BIO HAZARD (LEVEL 1)

# Our Service Commitments

We value our relationships and our reputation and ensure that we consistently meet the needs of our clients.

## **View Before Quotes – Fair Pricing, Always**

We believe in transparency. That's why we offer free pre-service assessments so we can see the space before quoting. This allows us to provide accurate, fair, and personalised pricing – no guesswork, no inflated rates.

## **Colour-Coded Cleaning Operations**

We follow a professional colour-coded system to separate cleaning equipment by area. This helps maintain high hygiene standards and avoid cross-contamination – especially important for clients in healthcare, childcare, food service, and housing sectors.

## **PPE Compliant + Level 1 Biohazard Cleaning**

Our team is fully PPE-compliant and able to safely handle Level 1 biohazard cleaning, including:

Bodily fluid clean-ups

Rodent droppings removal and disinfection

Cleaning after illness, hoarding episodes.

We bring discretion, care, and professionalism to every situation.

## **72-Hour Satisfaction Guarantee**

We stand by the quality of our service. If you notice something we've missed or you're not 100% satisfied, we'll return and put it right – no charge – as long as you let us know within 72 hours of the clean.

## **Clear Checklists. Clean Results.**

Each clean is carried out using a detailed checklist so nothing gets missed. You'll receive a summary of what's been done – and what's been flagged for future attention (if anything).

# Some of our work

---

Once we have completed an End of tenancy clean, we share an updated report with you for the client (landlord). We include considerations we found during our service as well as before and after photos to show the quality of our work.

The following photos are from the client reports that go back to the landlords. Feel free to have a look at some of our quality cleaning and visit [www.qualitascleaning.co.uk](http://www.qualitascleaning.co.uk) to view the full case studies.
